## Lesson Policy 2024

The policies stated below have been implemented to ensure a quality relationship between the student and teacher. The intent is to provide a sound educational environment for the student.

### New Policy Changes for Attendance and Cancellations:

Moving forward, we will no longer offer credits for missed lessons unless a teacher cancels. The lesson can be rescheduled based on teachers' availability.

### Lesson Length and Payment

All lessons are 30 minutes long, except drum lessons which are 45 minutes with Bobby. Longer lesson times are available depending on the availability of the teacher and commitment of the student.

Lessons are once a week, \$125 per month for 4 lessons or 5 depending on your lesson day and billed at the first week of each month. After the 3rd. absence, the student will be removed from the schedule.

If you would prefer to pay for each lesson individually, lessons are \$35 per lesson, and lessons must be paid one lesson in advance to be scheduled.

Lesson materials are extra.

AutoPay for lessons is available by attaching a credit or debit card to the lesson student's account. Full monthly payment will be debited from his/her account during the first week of the month.

### Enrollment

Lessons can be scheduled at any time. To begin taking lessons, the prospective student may come in person or call over the phone to schedule lessons. All lessons must be paid for in advance for the lesson to appear on the schedule. Payment can be made by debit/credit card over the phone or in person with cash, or card.
